● **INSTILLING A GROWTH MINDSET**

NetTutor was created to provide real online tutoring help for students at every hurdle—at any time, anywhere. Our tutors are not only subject-matter experts, but are trained to exhibit empathy and empower students to discover their own unique learning process to find solutions.

Our 1:1 tutoring helps students take ownership of their educational outcomes and become response-able with motivation, persistence and passion.

● **THE PATH TO PROGRESS**

Life only seems to get more and more complicated for students as the uncertainties in the world multiply. Students can access live tutoring on demand or by appointment, drop off questions for a timely response, and get writing feedback.

We tutor over 500 subjects, including core and specialty areas to make sure every individual has the opportunity to progress and reach their goals despite unpredictable circumstances.

**HELPING STUDENTS
CONFIDENTLY PROGRESS
IN THE CLASSROOM
AND BEYOND!**

NetTutor is designed to help students overcome burnout and overwhelm to unlock their confidence and passion for problem solving.
