

# SPRING BREAK

Spring Break is a time to unwind, not to stress out! If you need it, NetTutor has professional tutors available 24 hours a day, every day of the year, to help you with your work before or during Spring Break. So breathe easy - we are here for you.

The NetTutor logo is contained within a black oval with a white border. The word "net" is in green and "tutor" is in white. The background of the entire advertisement features a vibrant, stylized tropical scene with a yellow sun, a blue palm tree, a green beach, and blue waves. There are also several pink and blue circles scattered throughout the design.
